**HEARTBROKEN TO *heartwarming*,
ABC GIVES ANIMALS A SECOND CHANCE!**

Hello! My name is Margot and these are my two babies, Theodore (the one who looks like me!) and Camille. My family moved out of their apartment and left me behind. They didn't know I was ready to give birth to two little ones. I was scared, heartbroken, and hungry. I didn't know what would happen next. Finally, the manager of the apartment complex found me and asked another tenant to look after me until she could find a place for me to go. The lady who took me in gave me food and water. I was very grateful for their kindness.

And their timing couldn't have been better because I gave birth to my babies that same day! However, the lady was less than thrilled; she didn't expect to have puppies in her apartment too and quickly contacted someone to take us all away. I was heartbroken again. Then along came two wonderful volunteers from ABC who brought us to their shelter. They gave me a private space to nurse my babies, and provided me with plenty of good food and

fresh water. We quickly warmed up to all our caregivers and have grown to love them so much. My heart is no longer broken!

Abandoned dogs like me wouldn't have a chance without ABC, along with the many dogs and cats that need special care and medical treatment. ABC is truly a wonderful place for animals like us.
